MŒLLER STONE CARE

STAIN REMOVAL GUIDE TI-1

– from natural and artificial stone surfaces –

The stains listed below can be removed with the product listed next to it. Some stains will disappear completely after a single treatment, whilst others will remain and require several applications to completely remove. Please check the label of the product before beginning the application to verify that the product is suitable for the surface. **If in doubt test it in an inconspicuous place!**

ENVIRONMENT

All specialist products comply with the German Detergent Act and are registered with the Federal Environmental Offices in Berlin.
